MOTOWN'S GREATEST HITS with SPECTRUM JULY 17 & 18, 2009

SPECTRUM

vocals

Webster defines "Spectrum" as a "series of radiations arranged in regular order" or a "continuous sequence or wide range". This could not be a more appropriate description of the group Spectrum, which draws upon the talent of four radiant voices and diverse personalities to form a first class vocal quartet. After spending six record-breaking years recreating the sound and style of the Four Tops in Las Vegas' multi-million dollar production shows "American Superstars" and "Legends in Concert", the group has

developed the versatility to credibly cover the music of groups from the Platters to the Temptations to Boyz 2 Men. It is this versatility that has propelled them to headlining status, performing stirring renditions of all the best cover tunes. Spectrum's credits include a seven-month European tour, headlining aboard the Royal Caribbean cruise line ships, tours around the U.S., and the closing spot in the "Doo-wop to Soul Review" at the Hollywood Palladium. Spectrum's award-winning show (voted "Best of Las Vegas" in 2005) ran for four years straight on the Las Vegas strip, ending only when the Boardwalk Hotel & Casino closed its doors.

Other Spectrum's credentials, collectively and/or individually, include starring in no less than six major production shows, on the Las Vegas strip and internationally; appearances on numerous television shows as special guests including *Donahue & The Today Show*; featured appearances in the film *Nasty Boys*; Equity Theatre starring roles in August Wilson's *Ma Rainey's Black Bottom*; performing/recording with or opening for artists as varied as Tony Bennett, the Temptations, Blue Magic, Little Richard, Marty Robbins, the Platters, Frankie Lymon's Teenagers, Doc Severinson and Fat Larry's Band, to name a few.

The members of Spectrum consist of silky smooth recording artist **Darryl Grant** of Oakland, California, Chicago-born musician and versatile entertainer **Pierre Jovan**, soaring-voiced first tenor **David Prescott** from Rochester, New York, and singer, actor and group founder **Cushney Roberts**, who left the life of a Princeton-educated corporate engineer, cut his teeth in the casino lounges en route to becoming a well-respected Las Vegas showroom entertainer. Let's just say this is an experienced group of college-educated, world-traveled veterans of the entertainment business, ready to entertain you! ■
